BUDGET DISCUSSION

Budget in Brief

The Adopted General Fund budget of \$15,425,585 represents a \$3,162 decrease in spending from the previous year's budget of \$15,428,747. The adopted millage rate increases the fund balance by \$210,075. The Town Commission assigned an additional \$610,075 of fund balance to pension reserves for a total of \$1,610,075. The unassigned fund balance at the end of FY 2014 is estimated to be \$2,454,229.

Fund Balance Discussion

The Town's General Fund ended fiscal year 2011-12 with a total fund balance of \$4,464,157, a reduction of \$546,006 from the previous year. The total General Fund fund balance at the end of 2011-12 was categorized the following ways: \$116,818 was nonspendable, \$1,000,000 was assigned for future pension costs, \$93,857 was assigned for encumbrances, leaving \$3,253,482 unassigned.

<u>Fiscal Year 2012</u>		<u>Operating Days</u>

FY 13 Estimated Expenditure Reduction	232,000	
FY 13 Estimated Use of Fund Balance	(577,433)	
FY 13 Estimated Use of Commission Contingency	<u>(180,000)</u>	
FY 13 Net Fund Balance Reduction	(609,328)	
FY 13 Assigned (Inventory, Encumbrances, Prepaid)	<u>(210,675)</u>

Assigned (to offset future pension costs)	<u>(1,000,000)</u>	
FY 13 Estimated Unassigned Fund Balance	<u>\$ 2,644,154</u>	

As part of the annual budget process, the Town estimates the projected fund balance available from the preceding year. For fiscal year ending September 30, 2013, we estimate actual revenue to fall short of budgeted revenue by \$83,895 due to declines in investment income, electric franchise fees and zoning permits. However this will be partially offset by an additional transfer in from the Streets Fund. We also expect certain departments to come in under-budget by \$232,000.

The town budgeted \$400,000 in contingency and expects to use \$180,000 of this amount. The estimated use of fund balance (\$) is made up of the following:

• 3% Wage Increases	\$158,864
• Addition of Assistant Town Manager position	60,000
• Fire Department DROP participants vacation / medical payouts	215,000
• General Employees DROP vacation / medical payouts	<u>143,569</u>
Total	\$577,433

Fund Balance Discussion Continued

The Town provided a 3% general wage increase for employees which was not originally budgeted. This is the first base wage increase employees have had since 2008. The estimated expenditure increases include \$358,569 for payouts of accrued vacation and sick pay for and fire department and general employees electing the DROP (Deferred Retirement Option Program) provisions of the new pension ordinance which froze pension benefits effective October 1, 2013. We expect some legal fees associated with pension reform to be paid for with surpluses in other departmental budgets. Pension reform has been the theme of FY 13's goals and objectives to relieve the taxpayers' future unfunded liabilities and we will continue to pursue that goal through the upcoming budget cycle. This budget has been updated for changes in the Annual Required Contribution (ARC) based on impact studies received from the Town's actuary. Once all of the eligible participants have made their elections, the impact statements must be updated. The official dollar impact of these changes will be provided when the Town actuary produces its annual valuation report as of October 1, 2013 which we expect during the next fiscal year.

As a result of these variances in the budget, the ending fund balance for FY 13 is projected to be \$3,644,154 which represents 25% of General Fund expenditures or 90 operating days. The Town finance committee is currently working on an official fund balance policy and currently strives to retain 90 days of total expenditures.

Maintaining a healthy fund balance serves several purposes. It maintains investment-grade credit ratings so the Town pays less interest on its borrowings. It helps meet seasonal shortfalls in cash flow, and reduces susceptibility to emergency or unanticipated expenditures and/or revenue shortfalls. Fund balance information is also used to identify the available resources to repay long-term debt, reduce property taxes, add new services or expand existing ones, or enhance the financial position of the Town, in accordance with policies established by the Town Commission.

The Adopted Budget, passed on first reading and public hearing September 3, 2013, proposes to increase fund balance by \$210,075, to \$3,854,229 which is 26% of operating expenditures or 95 days. The Town Commission voted to increase the amount assigned to pension by \$400,000 making the total \$1,400,000. The Town also has access to borrow funds from the Utility Fund which will provide additional cash flow, in case of an emergency. The unassigned fund balance is \$2,454,229 due to a \$1.4 million reserve established for pension liabilities.

Town Commission Contingency

The Town Commission Contingency Account began the year with \$400,000. Commission Contingency currently has an approved use of \$123,000; \$100,000 for the ULI study and \$23,000 for the planning consultant, William Spikowski. The cost for the ULI study is actually \$125,000. The additional \$25,000 is included in the FY 14 Budget and will not be required from contingency. However, there is an overrun of approximately \$80,000 in pension attorneys and actuaries that can be partially offset by expenditure savings but will require the use of \$57,000 of Commission Contingency for a total of \$180,000.

Summary of Fiscal Year 2012-13 General Fund Budget Impact

Although a net reduction in the beginning FY 14 fund balance is anticipated, staff is still reviewing expenditure reductions that do not affect citizens' visible service levels. As the fiscal year progresses, any realized reductions will be reflected in the ending fund balance.

Fiscal Year 2013-14 Budget Discussion

GENERAL FUND

This Adopted Budget was prepared based on a 2.6% increase in property values. This results in an increase in ad valorem revenues of \$1,074,815 based on the tentative adopted millage rate of 2.0760.

The CPI factor to be applied to homestead properties for fiscal year 2013-14 is 1.7%. This means that on properties that have the homestead exemption, and their 2013 assessed value is higher than their 2012 assessed value, the taxable value will go up by 1.7%, the maximum allowed by Statute.

The non ad valorem revenues in the Adopted Budget are estimated to be approximately \$306,000 lower when compared to last year's adopted budget.

There are no cost of living adjustments (COLA) or merit increases for employees included in this Adopted Budget for FY 14. However, there was a 3% increase granted in fiscal year 2012-13 that was not originally budgeted and a one-time \$1,000 (net) payment given to the employees in fiscal year 2011-12.

The Adopted Budgeted expenditures, excluding capital and contingencies, in the General Fund are up by about \$469,400 or 3.3% from the 2012-13 adopted budget. This is made up of an increase to personnel costs of \$540,000 and a decrease to operating expenses of \$70,600. A portion of the personnel cost increase is the contribution to Florida Retirement System in the amount of \$418,800 which is offset by a revenue from employee contributions for benefits of \$209,400. The table below explains the \$540,000 increase to personnel costs.

<u>Breakdown of Personnel Cost Increases</u>	<u>Increase</u>
3% Salary Increase	\$ 190,500
Long Term Disability	26,700
Health Insurance	111,000
Assistant Town Manager	60,000
New 401a Defined Contribution	336,700
Frozen Defined Benefit Decrease	(400,000)
New Florida Retirement System	418,800
New Employee Reimbursement for Benefits	(209,400)
Tennis Lesson Cost (Revenue increase of \$7,500)	5,200
Net of Miscellaneous Personnel Related Expenditures	500
Total Personnel Cost Increases	<u>\$ 540,000</u>

These amounts have been rounded to the nearest one hundred dollars

Adopted Millage Discussion

Based on the July valuations, the Town's current millage rate of 1.8872 would generate \$8,594,875, or \$214,963 more revenue than last year. The Adopted millage rate of 2.0760 will generate \$1,074,815 more revenue than last year.

The Adopted Budget does not include the use of any of the \$1,000,000 of General Fund balance reserved for pensions, but actually increases the General Fund balance by \$210,075 and also increases the amount reserved for pensions to \$1,400,000.

Pension Discussion

FY 14 will be a year of significant change for the Town pension programs. Two of the pension programs, Fire and General Employees, will freeze on October 1, 2013. What this means is that employees will no longer accrue years of service after this date, which is used to calculate their monthly retirement benefit. The accrued benefits they have earned prior to this date will remain and the pension plans will continue to exist until the final benefit payments are made. Prior to the freezing of the plans, the Town's annual required contribution (ARC) would have been \$3.2 million for all three plans. Since the freeze, we have received impact statements from the actuary which reduced the Town's ARC to \$2.6 million, a savings of \$600,000¹. This savings is offset by the new 401a defined contribution of \$336,654 and the Town's contribution to the Florida Retirement System (FRS) of \$209,393 for a total of \$546,047. The charts below shows what the Town's FY 14 contribution toward employee retirement plans (defined benefit, 401a, 401k) before and after the freeze. Total retirement costs represent 48% of covered payroll.

¹Based on recent correspondence from State Department of Management Services Bureau of Local Retirement Systems, the Fire and General Employees' pension Impact Statements have been determined to be State accepted contingent on a reduction in the assumed rate of return commencing with the October 1, 2013 valuation. An estimated \$400,000 increase to the Town's Annual Required Contribution (ARC) is possible using a 7% rate of return for the Fire and General Employees' pension plans which would be effective in the FY 14-15 budget.

BUILDING FUND

The Building Division increased its fund balance in fiscal year 2011-12 by \$305,366 and began fiscal year 2012-13 with a fund balance of \$873,760. Building permit revenues are somewhat lower than expected in FY 13. However, other permit revenues are coming in higher than expected. The estimated ending balance for FY 13 is approximately \$682,302. The FY 14 building permit budget has been increased based on our knowledge of some major projects such as the Hilton hotel renovation. The expected ending Fund Balance for FY 14 is \$796,501.

UTILITY FUND

Public Works continues to systematically repair and replace the water and wastewater infrastructure. Initial planning for replacement of the wastewater subaqueous forcemain has begun. This is a large project with a considerable budget. Therefore, staff has begun gathering information to conduct a utility rate review to evaluate funding needs and options. During this next fiscal year I will keep you updated on our progress.

MAJOR BUDGET COMPONENTS

Beach Capital Project Fund

- 1. Expansion of Erosion Area Sand Placement** Budget Amount \$3,000,000
Budgeted in Beach Capital Projects Fund
(Funding Sources listed below)

This line item enhances the previously approved FY 2012-13 High Erosion Area Sand Placement project by adding funding for other erosion areas. The additional areas will be evaluated and established as determined by a planned beach shoreline survey. The survey will be conducted during late 2013 / early 2014. This funding will support engineering services, construction costs, and environmental monitoring of our beach program.

Primary funding for this project comes from the beach capital fund balance. Other potential funding sources include the Florida Department of Environmental Protection (FDEP) matching grants, Tourist Development Tax (TDT) funds and Federal Emergency Management Administration (FEMA) reimbursement for Hurricane Debby and Fay.

- 2. Longboat Pass Inlet Management** Budget Amount \$1,100,000
Budgeted in Beach Capital Projects Fund

Design and dredging of Longboat Pass is planned through this budget line item. Design services to develop plans and obtain permits accounts for approximately \$100,000. The remaining funds will be utilized for the dredging project costs. The sand dredged from the pass will be placed in and around the north end of Longboat Key. The locations anticipated to receive sand are from the Broadway beach access to just north of 360 North Condominium.

- 3. Sand Search** Budget Amount \$300,000
Budgeted in Beach Capital Projects Fund

Preliminary Sand Search to locate, explore and perform geotechnical investigations of future sand sources (borrow areas) offshore for upcoming projects.

General Fund

- 4. Replace 3 Marked Police Cars** Budget Amount \$108,000
Budgeted in General Fund
(Funded by Infrastructure Surtax Fund "Infrastructure Sales Tax Phase III" Pending Resolution)

Marked police vehicles are replaced every 2 years. This cycle replaces the vehicles at or near the time they achieve 100,000 miles. Actual hours on the vehicle place wear and tear comparable to a vehicle with 200,000 miles. This replacement schedule helps increase reliability of our emergency vehicles and to reduce the increasing costs of maintenance on older vehicles.

Costs this year are slightly higher as Crown Victoria police cars are being phased out and we are not sure of how much equipment will be transferrable to the next model. We are looking to utilize one of the retiring police cars as a Fire Marshal vehicle.

5. Police Handheld Radios Budget Amount \$104,000
(Funded by Infrastructure Surtax Fund "Infrastructure Sales Tax Phase III" Pending Resolution)

The portable radios (Manatee County 800 frequency) that the officers currently use are being superseded by a new federal standard (P25). The radio manufacturer is no longer offering repair parts for our current model radios. All local police and fire departments are in the process of upgrading their radios. The new P25 radios will be encrypted for public safety use only. The Police Department has 22 portable radios. This budget will replace a portion of the radios.

6. Backhoe - Streets Department Budget Amount \$85,000
Budgeted in General Fund
(Funded by Road & Bridge Fund "Gas Tax Revenues" and Utility Revenues)

This vehicle is replacing the 2001 Case Backhoe. At twelve years of age it has reached its useful life working in a salty environment. This backhoe is utilized for beach projects, debris removal, and utility water breaks. The new backhoe will be purchased with both gas tax and utility revenues.

7. IT - Server Replacement Budget Amount \$96,000
(Funded by Infrastructure Surtax Fund "Infrastructure Sales Tax Phase III" Pending Resolution)

The Town's Network Servers are on a 5-year replacement schedule. The Enterprise servers host all business applications including Police/Fire Dispatch, Financial Systems, Permitting/Inspections functions, Payroll, HR functions, and Utility billing. Although sometimes in good working condition, when the technology becomes 5-6 years old, it is prudent to replace equipment.

8. IT - Phone System Replacement Budget Amount \$85,000
(Funded by Infrastructure Surtax Fund "Infrastructure Sales Tax Phase III" Pending Resolution)

The Town's telephone systems at Town Hall, Police, Fire, and Public Works are over 15 years old. The current Nortel model is no longer supported by the manufacturer. Due to the age of the system, maintenance is contracted to a third party vendor. At this point replacement parts can only be purchased used. Replacement has been deferred for several years due to budget constraints and is no longer prudent. The budget money will be supplied through the Infrastructure Sales Tax by Resolution.

Utility Fund

9. Water Division

Budgeted in Utility Fund

A. Subaqueous Potable Water Main Construction Budget Amount \$75,000
(Funded by Utility Revenues and/or Debt)

The existing water main attached to the Longboat Pass Bridge that delivers water from Manatee County is 30 years old. This project will replace the existing water main with a new subaqueous water main. The new subaqueous water main will be approximately 2,500 lineal feet in length. Engineering design has commenced with money encumbered in previous budgets. This budget request represents additional construction oversight and project management assistance. The anticipated budget for the multi-year project is \$2,575,000.

B. Pressure Reducing Station Budget Amount \$300,000
(Funded by Utility Revenues and/or Debt)

A pressure reducing station is planned for the north end of Longboat Key. The station (fenced area of piping and valves) will be located in the western right-of-way of Gulf of Mexico Drive near Northshore Road. The station will allow flexibility for maintaining constant pressure, utilizing stored water, and reducing water breaks. The pressure station is planned to be constructed in conjunction with the Longboat Pass Water Main Replacement.

C. Water Storage Tank Inspections (South Key and Mid Key)
(Funded by Utility Revenues and/or Debt) Budget Amount \$100,000

The Florida Department of Environmental Protection requires all above ground potable water storage tanks be inspected and maintained every five years. The Mid Key and South Key storage tanks were last inspected in 2009. This amount covers the inspection and minor repairs that may be necessary. Each tank is anticipated to cost \$50,000.

10. Wastewater Division

Budgeted in Utility Fund

A. Wastewater Collection, Subaqueous Force Main Budget Amount \$1,000,000
(Funded by Utility Revenues and/or Debt)

Wastewater generated on Longboat Key is collected and sent to the Manatee County Southwest Regional Treatment Facility via a 16,000 lineal foot, 20 inch diameter ductile iron pipe. The existing pipeline is 40 years old. This multi-year project began in fiscal year 2012-13 with an engineering design criteria review. This project will be executed via a Design Build delivery method for allowing collaborative solutions between the engineer and contractor. Planning level estimates of this major project are \$16,000,000. More accurate costs will be established as the design progresses.

B. Slipline Gravity Sewers Budget Amount \$600,000
Voter Approved Debt Financing (Funded by Bank Qualified Debt)

This budget item is a continuation of the ongoing slipline project to reduce inflow, chlorides, and maintain the stability of the wastewater collection system. Reduction of chloride levels is required in our wastewater contract with Manatee County. The areas of focus for the 2014 fiscal year are currently being reviewed through a system-wide study and planned pilot project.

C. Rehab of Lift Station E Budget Amount \$150,000
(Funded by Utility Revenues and/or Debt)

Rehabilitate Lift Station E at 3700 Gulf of Mexico Drive including pumps, piping, control panel and lining the wet well. This lift station was constructed in the mid-1970s. This amount (\$150,000) covers additional anticipated construction costs due to necessary alterations of the generator setup. Engineering and construction costs were encumbered in previous fiscal year. The anticipated budget for the completed project is \$850,000. The project is currently at a 90 percent design level.

D. Rehab of Lift Station 8F Budget Amount \$350,000
(Funded by Utility Revenues and/or Debt)

Rehabilitate intermediate Lift Station 8F at 3485 Harbourside Drive including pumps, piping, control panel, and lining the wet well. This lift station was constructed in the late 1970's. The requested budget amount covers the anticipated engineering design and construction costs.

E. Minor & Smaller Lift Station Rehabilitation Budget Amount \$175,000
(Funded by Utility Revenues and/or Debt)

Minor and smaller intermediate lift stations are being systematically rehabilitated including pumps, piping, control panel and lining the wet well/manhole. These lift stations were constructed in the mid 1970's. This project is being performed over several years.

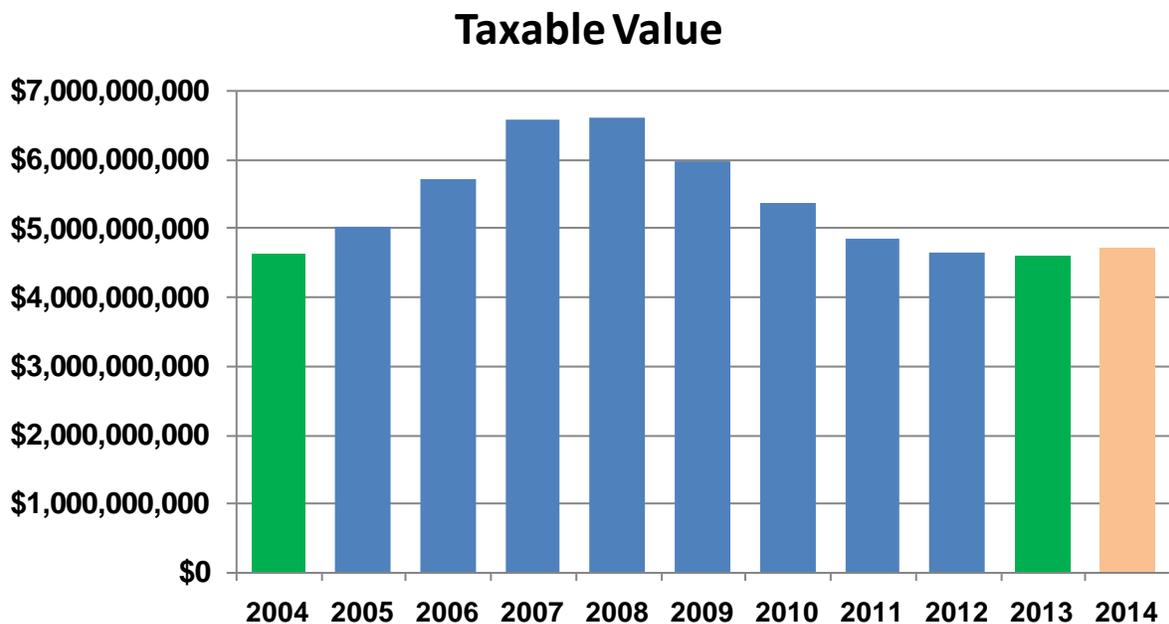

BUDGET ANALYSIS

The following are brief analyses of major budget features including: Analyses of Assessed Valuations and Millage Rates, the Beach Districts A and B Debt Service Tax Millage Rates and an Operating Budget Variance Report.

A. Assessed Valuations / Millage Rates

General Fund

Sarasota and Manatee County Property Appraisers provide the Town with preliminary estimates of taxable values on or before June 1st of each year. Certification of the tax rolls occurs on July 1st of each year. The taxable value decreased 9-10% in fiscal years 2009 through 2011 and 4.2% and 1.5% in fiscal years 2012 and 2013. The certified valuations for fiscal year 2014 are showing an increase for the first time since 2008. The following chart shows the history of taxable values since 2004. Fiscal year 2013 values were equivalent to 2004 and 2014 values are slightly higher

G.O. Facility Improvement Bonds

For fiscal year 2013-14 General Obligation (G.O.) debt service is \$289,829 as compared to \$285,145 in fiscal year 2012-13. Based on the 2.6% increase in property valuations, the G.O. bond debt service millage for fiscal year 2013-14 is 0.0560 mills compared to 0.0564 mills in fiscal year 2012-13. There is a fund balance of \$35,000 available which is being applied to the debt service payment. These bonds will be retired in 2019.

Beach District Debt Service Taxes

The debt service millages for Special Districts A and B were not levied in fiscal years 2010-11, 2011-12 and 2012-13. A referendum was passed in March 2011 to issue bonds up to \$16,000,000 for funding the next beach project that includes structures for the North End of the Key and sand placement in multiple locations.

Construction could begin in late 2014. If this schedule holds true, the Town will not need to levy a debt service tax in FY 14. We are anticipating a tax levy for the Beach Special Districts in FY 15 and are exploring other funding options for ongoing beach nourishment projects.

B. Operating Budget Variance Report

The following table shows the difference between the Adopted General Fund Budget for fiscal year 2012-13 compared to this Adopted Budget for fiscal year 2013-14. The comparison is broken down by the major categories of expenditures. Personnel costs are up in the General Fund by \$539,670 or 4.75%. The operating/non-operating expenses are down by **(\$70,609)** or **(2.61%)** and do not include contingencies. Contingencies are down by **(\$150,000)** or **(37.50%)**. The capital outlay budget is down **(\$322,223)** or **(33.56%)** for fiscal year 2013-14. Most of the capital expenditures are funded by revenues other than ad valorem taxes. In summary, the expenditures for the General Fund are down **(\$3,162)** or **(.02%)** from fiscal year 2012-13.

	FY 12/13	FY 13/14	Increase/

General Fund Revenues

- | | | |
|---|--------------------------|------------------------|
| 1. Ad Valorem Taxes | <u>\$214,963</u> | <u>2.57%</u> |
| July Certified Assessed Values are 2.6% higher than the previous year. This is the first increase since 2008. | | |
| 2. Franchise Fees | <u>-\$75,000</u> | <u>-7.59%</u> |
| Franchise fees are down mainly due to Electric Franchise fees coming in lower than previous years. This trend is likely to continue if we have another mild weather winter. | | |
| 3. Intergovernmental | <u>-\$106,620</u> | <u>-7.32%</u> |
| Intergovernmental revenues are lower mainly because of the amount of funding the Town receives from WCIND has been greatly reduced. | | |
| 4. Transfers from Other Funds | <u>-\$246,175</u> | <u>-8.70%</u> |
| This reduction is based upon transfers for capital needs being lower than last year. | | |
| 5. Prior Year Surplus- | <u>-\$660,075</u> | <u>-146.68%</u> |
| If the adopted millage rate is adopted upon second hearing, this would be the first time since fiscal year 2009 that here has been an increase in fund balance rather than using fund balance to balance the budget. The Finance Director along with the Finance Committee is currently developing a Fund Balance Policy to be adopted sometime in fiscal year 2013-14. | | |

General Fund Departmental Expenditures

- | | | |
|--|-------------------------|-----------------------|
| 6. Town Commission | <u>\$4,482</u> | <u>14.87%</u> |
| The increase is due to Town Commission travel. | | |
| 7. Town Attorney | <u>-\$32,000</u> | <u>-9.22%</u> |
| The Town replaced the previous attorney who retired. The contract for the new attorney is structured differently allowing the budget to be reduced. | | |
| 8. Outside Attorneys | <u>-\$22,500</u> | <u>-36.00%</u> |
| Reduced based on contract negotiations being complete in fiscal year 2013. This may change if the Police Union contract is not resolved by September 30, 2013. | | |
| 9. Town Manager | <u>\$103,446</u> | <u>29.10%</u> |
| This increase is based on the addition of an Assistant Town Manager position and a 3% salary increase which did not include the Town Manager. The Assistant Town Manager's salary and benefits is split 50/50 with the utility department. | | |
| 10. Information Technology | <u>-\$40,775</u> | <u>-5.58%</u> |
| This decrease is mostly due to the early retirement of one of the IT staff. The replacement for this position will not enter into the defined benefit pension plan. | | |

General Fund Departmental Expenditures continued

- 11. Human Resources** **\$12,738** **11.91%**
The Human Resources (HR) increase is based on the 3% salary increase granted in fiscal year 2013 and change to the HR Manager insurance status.
- 12. Fire/Rescue** **\$515,957** **9.85%**
This increase is largely due to the new fire contract which increased salaries by 3%, laundry allowance increase and Florida Retirement System (FRS) Town contribution along with existing pension contribution. About \$300,000 is pension related. The full FRS contribution of 19.06% of salaries is budgeted in this line, but will be offset by a revenue of \$209,393 as contributions from employees to offset the cost of benefits other than FRS.
- 13. Emergency Management** **\$1,845** **21.71%**
Emergency Management was increased to cover disaster management contracts such as Agility Recovery Solutions which provides access to temporary office space in the event of a hurricane.
- 14. Public Works** **-\$118,192** **-18.27%**
This decrease is due to the Town Engineer salary being split with 1/2 transferred to the Town Manager department and the other 1/2 transferred to the Utility department.
- 15. Streets Department** **\$59,446** **10.23%**
This is based upon increases to various lines that were moved to the Streets Department from other departments to better capture the actual costs to run this department.
- 16. General Services** **-\$50,250** **-9.55%**
The primary source of the decrease is a reduction in consulting services related to the freezing of the pension plans. Since the Town is at Impasse with the Police bargaining unit, we are budgeting \$35,000 for additional consulting fees. If this amount is inadequate, use of Commission Contingency may be necessary.
- 17. Commission Contingency** **-\$150,000** **-37.50%**
This amount was decreased based upon typical use of Commission Contingency being around \$250,000.

Concluding Remarks

This budget incorporates the millage rates adopted by Town Commission at the September 23, 2013 public hearing. The budget allows the Town to fund all FY 14 expenses and to fund an additional \$610,075 in the pension reserve. The budget, as adopted, adds \$210,075 to the fund balance and places the Town on sound financial footing for the future.

I want to thank the Town staff for the work they do and for their eagerness to address community needs and desires. This has been a challenging time for many employees but there is a positive relationship between staff and citizens in this Town that other communities aspire to achieve.

Respectfully submitted,

David R. Bullock,
Town Manager
