

Town of Longboat Key

DATE: September 17, 2012
GENERAL ORDER: 2012-42
SUBJECT: Colony Complex (1620 Gulf of Mexico Drive)

Personnel responding to the mid-rise structure on the property of the above address shall not enter the building for any reason. Personnel shall operate all fire emergencies in the defensive mode and shall be in full personal protective equipment (PPE).

It has been determined that this specific building is not safe to enter and we (fire department) will not jeopardize personnel safety⁷ during an emergency.

Personnel shall use extreme caution when responding to this structure as well as the other structures in the complex. **Personnel safety is high priority!**

All officers shall become familiar with this property and ensure proper and safe operation.
