Subject: CONGRATULATIONS TO KATHI PLETZKE

THE FISCAL TRANSPARENCY MODULE recently presented at Florida League Of Cities Innovative Showcase Conference won the prize.....again. Longboat Key under your team's creative development skills have again showed the state's leadership how a small town can produce large solutions by using talented people who can be forward thinking. Please congratulate Kathi Pletzke for her efforts. Also thank the Town Commissioners and entire LBK staff for their continued support of problem solving techniques.

Joan Webster
Former Mayor LBK

Joan, thank you for the kind words. You understand how welcome and refreshing they are as well as how rare we receive them. All credit is due to Dave Bullock and his IT team with Kathi in charge. Thanks again for recognizing the great success by Town staff.
