Broadway Street Resurfacing to Begin Wednesday, July 30, 2014

The Town of Longboat Key Public Works Department has contracted with Superior Asphalt to conduct a resurfacing project on Broadway in the Village. The project will begin on Wednesday, July 30, 2014. First the concrete curbs will be replaced at the intersections of Broadway street and Longboat Drive North and South, Poinsetta Avenue North and South, and Palm Drive. When the concrete has cured, the resurfacing of the entire length of Broadway will begin. Traffic flow will be maintained throughout the project. The completion of the project is expected by the end of August, pending weather conditions. Questions or concerns can be directed to the Public Works Department at (941) 316-1988.
