

FREE Household Hazardous Waste and E-Scrap Collection for Residential Citizens

For your convenience, the Town of Longboat Key in conjunction with Manatee County and the Cities of Anna Maria, Holmes Beach, and Bradenton Beach are having a Household Hazardous Waste/ E-Scrap Collection for the island residents to dispose of solvents, latex and oil base paints, garden pesticides, household chemicals, ammunition, flares, waste oil, propane tanks, fluorescent lamps, any mercury containing devices (thermostats, thermometers, float switches from boat bilges), pool chemicals, old gasoline (in gasoline containers), household, auto, and marine batteries.

We are also collecting televisions, computer components (printers, scanners, fax machines, CPU's keyboards), copiers, video and audio equipment, small household electrical appliances (microwaves, hair dryers, irons, cell phones, digital cameras, battery chargers).

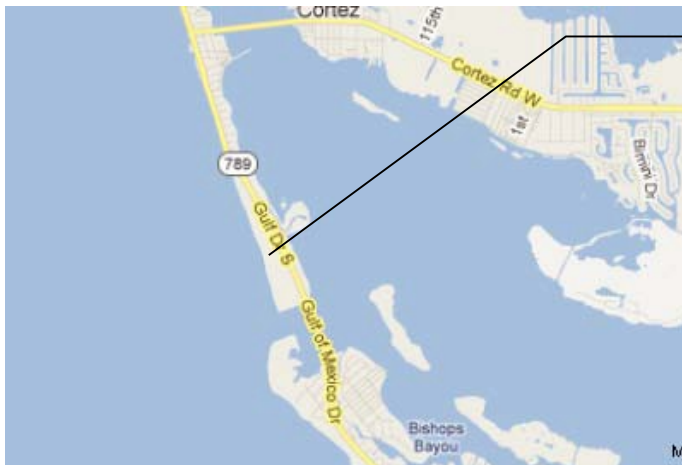

Collection Date and Location for Residents:

Saturday, January 30, 2016 9:00AM - 3:00 PM
Coquina Beach – Gulf Side Parking/Access Road

We **DO NOT** accept **Radioactive** (smoke detectors) and **Bio-Hazardous** Materials (sharps being needles).

Special accommodation requests for the physically disabled may be arranged in advance of the collection date by calling 941-798-6761.

Small businesses which generate a small quantity of Hazardous Waste or E-Scrap may bring waste to the above location they will have to pay contractor on site for disposal.

Coquina Beach Gulfside Parking Lot and Beach Access area where Annual Collection of Household Hazardous Waste and Electronic Waste will be held on January 30, 2016 between 9 am and 3 pm.
