TOWN OF LONGBOAT KEY  
TOWN CENTER PUBLIC WORKSHOP  
DECEMBER 18, 2014  
2:00 PM

Town Hall, Commission Chambers, 501 Bay Isles Road

### **Town Center Project**

Tindale Oliver Design has been hired by the town of Longboat Key to complete a project focused on the Town Center. The goal of the Town and the consultant team is to create a more walkable, mixed-use environment to serve as the heart of the Longboat Key Community.

This public workshop will 'kickoff' the beginning of the project by providing an introduction of the consultant, along with an overview of the proposed project.
