ULI-The Urban Land Institute Advisory Services Agreement

The Town of Longboat Key, Florida

This Agreement constitutes a binding contract between the Town of Longboat Key, Florida (Sponsor) and ULI-the Urban Land Institute (Institute or ULI). As part of its purpose, the Institute maintains an Advisory Services Program for the purpose of benefiting the general public through improved planning and utilization of urban land. The Sponsor wishes to obtain advice and recommendations from the Institute on future development and planning issues facing the Town. See Attachment A for a detailed Scope of Work.

Pursuant to this Agreement, the Institute agrees:

1. To provide a panel composed of members of the Institute and others who collectively have a varied and broad experience and knowledge applicable to the particular problems to be considered.
2. To arrange for the panel members to visit the location upon which its recommendations are sought for a period of not less than five days, starting on or about October 20, 2013. During that time the panel, directly and through its staff, will study the designated area; consult with public and private officials, representatives of other relevant organizations, and other individuals familiar with the problems involved; and prepare its conclusions and recommendations which will be presented to the Sponsor and its invited guests in oral form at the close of the on-site assignment.
3. To provide the Sponsor with a full-color written summary of its conclusions and recommendations illustrated with photographs and drawings, as appropriate. The sponsor will be provided a draft copy of the report within 60 days of the panel's completion of its on site visit to the Town of Longboat Key.
4. To absorb the travel and living expenses of its panel and staff while on site.
5. To provide customary workers' compensation and liability insurance for the panel members and the Institute's staff while conducting activities for the Town of Longboat Key.

The Sponsor agrees, at its expense:

1. To furnish to each panel member, not less than 10 days in advance of the panel meeting, such pertinent background data in the form of reports, plans, charts, etc., as may be presently available or readily developed for the preliminary study of the panel, prior to its inspection on site. Two copies of the panel materials are to be sent to the ULI Project Manager.

2. To arrange, insofar as possible, to have appropriate persons, including public and private officials, representatives of the relevant organizations, and others, available for the purpose of consulting with and furnishing information to the panel on specific matters relevant to the assignment as may be necessary and advisable during the period of the panel's visit.
3. In return for the advice and recommendations of the Institute, to pay the Institute the total sum of \$125,000. The first installment of \$30,000 for mobilization funds will be paid upon signing of this agreement. The second installment of \$90,000 will be paid upon presentation of the panel's recommendations. The third and final payment of \$5,000 will be paid when the Sponsor receives the final report. **See Attachment B for a list of actions and deliverables for each invoice.** In the event the Sponsor cancels the panel assignment, the initial payment is non-refundable and Sponsor shall be responsible for any additional costs incurred by ULI up to the date of cancellation.

It is understood that the fee paid by the Sponsor to the Institute is to be used to cover the costs of the panel assignment and to support and encourage the Institute's research and educational programs.

The Sponsor may make such noncommercial use of the report as it may deem desirable. It is further understood that the Institute may make such noncommercial use of the report prepared of the panel's findings and recommendations as it may deem desirable, and the Sponsor herewith specifically agrees that the Institute may publish and disseminate such report or any part thereof in conjunction with its research and educational programs.

The Institute shall indemnify, save, defend and hold harmless the Sponsor, its elected/appointed officials, officers, directors, employees and agents from any and all liability, claims, suits, demands, actions, damages and expenses (including reasonable attorney fees) of whatsoever kind and by whomsoever brought against the Sponsor, the Sponsor's elected/appointed officials, officers, directors, employees and agents, arising from or in connection with any willful or negligent act, error or omission of the Institute, the Institute's, officers, directors, employees, and agents in the performance under the terms of this Agreement.

Each party's aggregate liability for damages of any nature shall be limited to the amount of the fee under this Agreement. In no event will either party be responsible for incidental or consequential damages arising out of the services it provides under this Agreement.

other; provided that the party delayed or unable to perform shall promptly advise the other party of such delay or impossibility of performance, and provided further that the party so delayed or unable to perform shall take reasonable steps to mitigate the effects of any such delay or nonperformance.

Neither party shall assign its rights or duties under this Agreement without the prior written consent of the other party. Subject to the foregoing, this Agreement shall bind and inure to the benefit of the respective parties and their successors and assigns.
