Date: August 26, 2013

**TO:** Town Commission  
**FROM:** Dave Bullock, Town Manager  
**SUBJECT:** Legislative Priorities

---

Each year the legislative delegations for Manatee and Sarasota Counties ask the community for input regarding their legislative priorities for the upcoming year. In the past these issues have been considered by the Town Commission at a Regular Workshop Meeting then forwarded to a Regular Meeting for formal action.

The Sarasota County Legislative Delegation requested that the Town forward the Commission's legislative priorities by September 12, for consideration at their September 18, 2013 Legislative Delegation Meeting and Public Hearing. I have attached a proposed list of legislative issues for your consideration. For your reference, I have included the Commission-approved priorities submitted to ManaSota League, Sarasota County and Manatee County identifying Longboat Key's 2012-2013 legislative priorities.

The County-sponsored Legislative Delegation Meetings are not the only opportunity the Town has to present information to the legislative delegation. In fact, if the Town has a serious concern about any particular issue it is recommended that a more directed lobbying effort be made.

The Sarasota County Board of County Commissioners will take formal action on their proposed legislative priorities at their September 11, 2013 meeting. The Manatee County Legislative Delegation Meeting is scheduled for December 4, 2013; therefore, the Manatee County legislative priorities will be developed later in the Fall.

The following information regarding 2013-2014 legislative delegation meetings is provided for your convenience.

Sarasota County Legislative Delegation Meeting and Public Hearing –  
September 18, 2013 at 8:30 AM – 12:00 PM in the Sarasota County
