

## MEMORANDUM

Date: November 20, 2013

**TO:** Dave Bullock, Town Manager

**FROM:** Sue Smith, Finance Director

**SUBJECT:** Ordinance 2013-33, Amending the FY 2013-2014 Budget to Provide for Year End Reconciliation

---

At the November 4, 2013 Regular Meeting, the Town Commission held first reading and public hearing on Ordinance 2013-33 then forwarded to the December 2, 2013 Regular Meeting for second reading and public hearing. This Ordinance is required for amounts requiring the use of other Revenue sources which were not budgeted.

Year end transfers are usually made in three categories:

- Amounts under \$10,000
- Amounts over \$10,000
- Amounts requiring use of Fund balance or other Revenue sources

Pension (Police and Fire)- The Town receives Chapter 175 and Chapter 185 from the State. These revenues are required to be recorded as both a revenue and an expense under GAAP (*Generally Accepted Accounting Principles*). In the past the Town did not normally budget these, however the auditors have requested that these amounts be booked in the financial statements requiring a budget amendment. These amounts are \$175,096 and \$78,298 respectively.

Insurance Proceeds – The Town's insurance company reimbursed the Town for stolen and/or damaged goods purchased by the Fire Department in the amount of \$10,008. This revenue was not anticipated or budgeted.

Tennis – Unanticipated revenue taken in for the tennis facility were used to pay for additional scheduled tennis lessons. Salaries and wages were under-budgeted for part-timers due to an understatement in the number hours used when crafting the original budget.

Attachment A of Ordinance 2013-33 identifies the overages and sources of funds.

This item is placed on the December 2, 2013 Regular Meeting for second reading, public hearing and adoption.
