Florida's Public Records Law, Chapter 119, Florida Statutes, states: "It is the policy of this state that all state, county, and municipal records shall at all times be open for a personal inspection by any person." Your application when filed will become a public record and subject to the above statute. In addition, any appointed member of a board of any political subdivision (except members of solely advisory bodies) and all members of bodies exercising planning, zoning, or natural resources responsibilities are required to file a financial disclosure form within 30 days after appointment and annually thereafter for the duration of the appointment as required by Chapter 112, F.S.

The Code Enforcement Board, Pension Board, Planning & Zoning Board, and Zoning Board of Adjustment, and the Investment Advisory Committee are continuing boards. At various times the Town has had or may have ad hoc committees such as: Airport Advisory, Beach Advisory, Beautification, Citizens Relations, Facilities Advisory, as well as others.

Terms on various boards and committees vary and may be for a period up to three years. Appointments expire on the second Wednesday in May of each year on a staggered basis. Vacancies occur throughout the year for various reasons; appointments by the Town Commission to fill vacancies are for the remainder of the unexpired term. If any vacancy is for a period of less than six months, the Town Commission, at their discretion, may appoint an individual for the remainder of the current term, plus one full term at the time of appointment.

Town boards and committees play a vital part in our community. You are encouraged to submit an application for appointment to a Town Board or Committee prior to board appointment deadlines.
