SUBJECT: Florida Department of Environmental Protection (FDEP) Beach Management Funding Assistance Program Grant Agreement No. 14ME2, Amendment #1

The Town and the Florida Department of Environmental Protection (FDEP) entered into Agreement No. 14ME2 on December 15, 2014 that provides cost sharing for beach management program projects. Amendment 1 to this agreement increases the amount of funding for our beach program by \$1,829,974. The attached draft Amendment 1 provides for an increase of \$1,829,974 to the current agreement. A new Task #3.3 has been added to the agreement for the Truck Haul Project. This increase reflects FY15 Florida Legislature's appropriation for FDEP's Beach Management Funding Assistance Program.

In order to expedite the approval of this amendment, FDEP has sent this to the Town marked "draft". Minor changes may be made by FDEP legal staff. Therefore we recommend that the Town Commission now forward this amendment to the January 4, 2016 Regular meeting pending Town Attorney approval of the final document if minor language revisions are made by FDEP' legal staff.

This item is placed on the December 14, 2015 Regular Workshop Meeting Consent Agenda for Commission consideration.

Prior to releasing any funds, the LOCAL SPONSOR shall be required to provide a written acknowledgement to the DEPARTMENT's Grant Program Administrator of the LOCAL SPONSOR's acceptance of the terms imposed by the State Chief Financial Officer for release of funds.

14. As consideration for the satisfactory completion of the eligible work identified in Attachment A and approval of the work by the DEPARTMENT, the DEPARTMENT agrees to compensate the LOCAL SPONSOR on a cost reimbursement basis. All requests for reimbursement shall be made in accordance with **Attachment E (Contract Payment Requirements)**, attached hereto and made a part hereof, and State guidelines for allowable costs found in the Department of Financial Services' Reference Guide for State Expenditures at <http://www.fldfs.com/aadir/reference%5Fguide>. The DEPARTMENT will not release funds for construction activities until such time as all requisite authorizations, environmental permits, and variances, including those required pursuant to Chapters 161, 253, 258 and 373, Florida Statutes, have been obtained. The final payment will not be processed until the match requirement has been met.
15. The DEPARTMENT's Project Manager shall have thirty (30) days after receipt of each request for payment to determine that the work has been accomplished in accordance with the terms and conditions of this Agreement prior to approving the request for payment. It is understood and agreed that any request for payment that requires the DEPARTMENT to request additional information of the LOCAL SPONSOR shall stop time for the DEPARTMENT's review period and will reset when such information is received as requested by the DEPARTMENT. Upon approval of the request for payment the DEPARTMENT shall disburse the funds due the LOCAL SPONSOR less ten (10) percent which shall be retained on account. The cumulative amount retained for each eligible deliverable item shall be disbursed to the LOCAL SPONSOR after the DEPARTMENT has certified that the LOCAL SPONSOR has complied with all the terms and conditions of the Agreement. The DEPARTMENT will periodically request proof of a transaction (invoice, payroll register, etc.) to evaluate the appropriateness of costs to the Agreement pursuant to State and Federal guidelines (including cost allocation guidelines), as appropriate. When requested, this information must be provided within thirty (30) calendar days of such request. If applicable, the LOCAL SPONSOR may also be required to submit a cost allocation plan to the DEPARTMENT in support of its multipliers (overhead, indirect, general administrative costs, and fringe benefits).
16. For the duration of this Agreement, the LOCAL SPONSOR shall submit to the DEPARTMENT's Project Manager on a quarterly basis, **Attachment F (Project Progress Report, Part III)**, as updates to the project schedule, no later than thirty (30) days following the completion date of the quarterly reporting period in which the project is underway. The term "quarterly" shall reflect the calendar quarters ending March 31, June 30, September 30, and December 31. Information provided shall be the best available and shall represent the most accurate forecast of future events. Specific information to be included in the quarterly report: tasks to be completed, start and finish dates, task duration, and actual start and finish dates with actual task duration. In cases where no reimbursement is sought for

a given quarter, all applicable portions of the progress report must still be completed and submitted. The timely submittal of these quarterly reports will result in points for the ranking of future projects under the Beach Management Funding Assistance Program.

17. Upon completion of a task or the PROJECT, the LOCAL SPONSOR shall submit to the DEPARTMENT a certification of completion, attached hereto as **Attachment G (Project Completion Certification)**. A final PROJECT certification inspection shall be made by the DEPARTMENT within sixty (60) days after the PROJECT is certified complete by the LOCAL SPONSOR.
18. The LOCAL SPONSOR shall, at a minimum, comply with monetary limits for competitive acquisition of both materials and services as required by Chapter 287, and Chapter 161.101(17), Florida Statutes, which are expressly made a part of this Agreement and incorporated herein by reference as if fully set forth.
19. The applicable provisions of Chapter 161, Florida Statutes, entitled "Beach and Shore Preservation", and any rules promulgated there from, are expressly made a part of this Agreement and are incorporated herein by reference as if fully set forth.
20. Each party hereto agrees that it shall be solely responsible for the negligent or wrongful acts of its employees and agents. However, nothing contained herein shall constitute a waiver by either party of its sovereign immunity or the provisions of Section 768.28, Florida Statutes.
21.
 - A. The DEPARTMENT may terminate this Agreement at any time in the event of the failure of the LOCAL SPONSOR to fulfill any of its obligations under this Agreement. Prior to termination, the DEPARTMENT shall provide ten (10) days written notice of its intent to terminate and shall provide the LOCAL SPONSOR an opportunity to consult with the DEPARTMENT regarding the reason(s) for termination.
 - B. The DEPARTMENT may terminate this Agreement without cause and for its convenience by giving thirty (30) days written notice to the LOCAL SPONSOR. Notice shall be sufficient if delivered personally or overnight courier to the address set forth in this Agreement.
22. No payment will be made for deliverables deemed unsatisfactory by the DEPARTMENT. In the event that a deliverable is deemed unsatisfactory by the DEPARTMENT, the LOCAL SPONSOR shall re-perform the services needed for submittal of a satisfactory deliverable, at no additional cost to the DEPARTMENT, within ten (10) days of being notified of the unsatisfactory deliverable. If a satisfactory deliverable is not submitted within the specified timeframe, the DEPARTMENT may, in its sole discretion, either: 1) terminate this Agreement for failure to perform, or 2) the DEPARTMENT'S Grant Manager may, by letter specifying the failure of performance under this Agreement, request that a proposed Corrective Action Plan (CAP) be submitted by the LOCAL SPONSOR to the DEPARTMENT. All CAPs must be able to be implemented and performed in no more than sixty (60) days.
 - A. A CAP shall be submitted within ten (10) calendar days of the date of the letter request from the DEPARTMENT. The CAP shall be sent to the Department Grant Manager for review and approval. Within ten (10) calendar days of receipt of a CAP, the DEPARTMENT shall notify the LOCAL SPONSOR in writing whether the CAP proposed has been accepted. If the CAP is not accepted, the LOCAL SPONSOR shall have ten (10) calendar days from receipt of the DEPARTMENT letter rejecting the proposal to submit a revised proposed CAP. Failure to obtain the DEPARTMENT approval of a CAP as specified above shall result in the DEPARTMENT'S termination of this Agreement for cause as authorized in this Agreement.
 - B. Upon the DEPARTMENT'S notice of acceptance of a proposed CAP, the LOCAL SPONSOR

shall have ten (10) calendar days to commence implementation of the accepted plan. Acceptance of the proposed CAP by the DEPARTMENT does not relieve the LOCAL SPONSOR of any of its obligations under the Agreement. In the event the CAP fails to correct or eliminate performance deficiencies by LOCAL SPONSOR, the DEPARTMENT shall retain the right to require additional or further remedial steps, or to terminate this Agreement for failure to perform. No actions approved by the DEPARTMENT or steps taken by the LOCAL SPONSOR shall preclude the DEPARTMENT from subsequently asserting any deficiencies in performance. The LOCAL SPONSOR shall continue to implement the CAP until all deficiencies are corrected. Reports on the progress of the CAP will be made to the DEPARTMENT as requested by the Department Grant Manager.

- C. Failure to respond to the DEPARTMENT's request for a CAP or failure to correct a deficiency in the performance of the LOCAL SPONSOR as specified by the DEPARTMENT may result in termination of this Agreement.

The remedies set forth above are not exclusive and the DEPARTMENT reserves the right to exercise other remedies in addition to or in lieu of those set forth above, as permitted by this Agreement.

Contract Payment Requirements Florida Department of Financial Services, Reference Guide for State Expenditures (January 2005) *Cost Reimbursement Contracts*

Invoices for cost reimbursement contracts must be supported by an itemized listing of expenditures by category (salary, travel, expenses, etc.) Supporting documentation must be provided for each amount for which reimbursement is being claimed indicating that the item has been paid. Check numbers may be provided in lieu of copies of actual checks. Each piece of documentation should clearly reflect the dates of service. Only expenditures for categories in the approved contract budget should be reimbursed.

Contracts between state agencies, and or contracts between universities may submit alternative documentation to substantiate the reimbursement request that may be in the form of Florida Accounting Information Resource (FLAIR) reports or other detailed reports.

Listed below are examples of types of documentation representing the minimum requirements:

- (1) Salaries: A payroll register or similar documentation should be submitted. The payroll register should show gross salary charges, fringe benefits, other deductions and net pay. If an individual for whom reimbursement is being claimed is paid by the hour, a document reflecting the hours worked times the rate of pay will be acceptable.
- (2) Fringe Benefits: Fringe Benefits should be supported by invoices showing the amount paid on behalf of the employee (e.g., insurance premiums paid). If the contract specifically states that fringe benefits will be based on a specified percentage rather than the actual cost of fringe benefits, then the calculation for the fringe benefits amount must be shown.

Exception: Governmental entities are not required to provide check numbers or copies of checks for fringe benefits.
- (3) Travel: Reimbursement for travel must be in accordance with Section 112.061, Florida Statutes, which includes submission of the claim on the approved State travel voucher or electronic means.
- (4) Other direct costs: Reimbursement will be made based on paid invoices/receipts. If nonexpendable property is purchased using State funds, the contract should include a provision for the transfer of the property to the State when services are terminated. Documentation must be provided to show compliance with Department of Management Services Rule 60A-1.017, Florida Administrative Code, regarding the requirements for contracts that include services and that provide for the contractor to purchase tangible personal property as defined in Section 273.02, Florida Statutes, for subsequent transfer to the State.
- (5) In-house charges: Charges which may be of an internal nature (e.g., postage, copies, etc.) may be reimbursed on a usage log that shows the units times the rate being charged. The rates must be reasonable.
- (6) Indirect costs: If the contract specifies that indirect costs will be paid based on a specified rate, then the calculation should be shown.

EXHIBIT 1 to this Attachment indicates state financial assistance awarded through the Department of Environmental Protection by this Agreement. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Department of Environmental Protection, other state agencies, and other nonstate entities. If the recipient expends less than \$500,000 in state financial assistance in its fiscal year, an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. In the event that the recipient expends less than \$500,000 in state financial assistance in its fiscal year, and elects to have an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from the non-state entity's resources (i.e., the cost of such an audit must be paid from the recipient's resources obtained from other than State entities).

Pursuant to Section 215.97(8), Florida Statutes, State agencies may conduct or arrange for audits of State financial assistance that are in addition to audits conducted in accordance with Section 215.97, Florida Statutes. STATE OF FLORIDA
GRANT AGREEMENT FOR
LONGBOAT KEY BEACH NOURISHMENT

THIS AGREEMENT was entered into the 15th day of December, 2014 between the FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION (hereinafter referred to as the "DEPARTMENT"), whose address is 3900 Commonwealth Boulevard, MS 3601, Tallahassee, Florida 32399, and the TOWN OF LONGBOAT KEY, a local government (hereinafter referred to as the "LOCAL SPONSOR"), whose address is 600 General Harris Street, Longboat Key, Florida 34228-1412, for the project described herein.

WHEREAS, the 2014 Legislature has provided additional funds for construction and the LOCAL SPONSOR has requested to extend the expiration date of the agreement to accommodate for the construction event and the DEPARTMENT has agreed; and

WHEREAS, the LOCAL SPONSOR has requested to add additional scopes of work to the agreement and revise the Grant Work Plan and the DEPARTMENT has agreed. Accordingly, the Grant Work Plan is revised as set forth in Attachment A; and

WHEREAS, other changes to the Agreement are necessary.

NOW, THEREFORE, in consideration of the mutual benefits to be derived here from, the DEPARTMENT and the LOCAL SPONSOR do hereby agree as follows:

- Paragraphs 1 through 45 and all attachments are hereby deleted in their entirety and replaced with the following:
 1. The DEPARTMENT does hereby retain the LOCAL SPONSOR to implement the beach erosion control project known as the LONGBOAT KEY BEACH NOURISHMENT, (hereafter referred to as the PROJECT), as defined in Attachment A (Grant Work Plan), attached hereto and made a part hereof. The LOCAL SPONSOR does hereby agree to perform such services as are necessary to implement the PROJECT in accordance with the terms and conditions set forth in this Agreement, and all attachments and exhibits named herein that are attached hereto and incorporated by reference. For purposes of this Agreement, the terms "Grantee", "Recipient" and "Local Sponsor" are used interchangeably.
 2. This Agreement shall begin on the last date executed and end on January 31, 2018. Pursuant to Section 161.101 (18), Florida Statutes, and 62B-36.009, Florida Administrative Code, work conducted on this PROJECT by the LOCAL SPONSOR or its subcontractor and approved by the DEPARTMENT beginning on or after July 1, 2011, may be eligible for reimbursement by the DEPARTMENT.
 3. The LOCAL SPONSOR shall implement the PROJECT and complete said PROJECT upon the terms and conditions set forth in this Agreement and all present and future requisite authorizations and environmental permits. The PROJECT consists of the nourishment and stabilization of approximately 9.7 miles of shoreline between DEPARTMENT Reference Monuments R44.5 - R67 in Manatee County and R1 - R29 in Sarasota County. The life of the PROJECT is defined as ten (10) years following completion of each construction event. The parties expressly agree that the provisions of this paragraph shall survive and be enforceable beyond the expiration date of this Agreement.

4. A. For tasks 3.1, 3.2, 4.1, 4.2, and 4.3, as specified in Table 1 in Attachment A, the LOCAL SPONSOR shall develop a detailed Scope of Work which shall include a narrative description of each task, a corresponding detailed budget for each deliverable under that task and a schedule for completion of each task and deliverable. Each Scope of Work shall be approved by the DEPARTMENT as to content, deliverables, and schedule prior to incorporating into the approved grant work plan as an amendment or change order to this Agreement pursuant to paragraph 39.

B. For task 3.3 in Table 1 of Attachment A, the LOCAL SPONSOR shall submit detailed Scopes of Work. The DEPARTMENT shall review the Scopes of Work as to content, deliverables, schedule and cost. The LOCAL SPONSOR shall be notified by a written Letter of Authorization from the DEPARTMENT's Project Manager of approval of the detailed Scope of Work for that specific location. Copies of Letters of Authorization, which includes a copy of the approved detailed Scope of Work, shall be sent to the DEPARTMENT's Bureau of Finance and Accounting and must accompany each request for reimbursement for that Scope of Work. A Letter of Authorization must be received by the LOCAL SPONSOR prior to initiating any work on a PROJECT task. The total of all Letters of Authorization shall not exceed the total for Task 3.3 in Table 1 of Attachment A.
5. The DEPARTMENT has determined that 45.58 percent of the non-federal PROJECT cost is eligible for state cost sharing. Therefore, the DEPARTMENT's financial obligation shall not exceed the sum of \$2,431,892 for this PROJECT or up to 22.79 percent of the non-federal PROJECT cost, if applicable, for the specific eligible PROJECT items listed, whichever is less. Any indicated federal cost sharing percentage is an estimate and shall not affect the cost sharing percentages of the non-federal share.
6. The DEPARTMENT and the LOCAL SPONSOR agree that any and all activities associated with the PROJECT that are not shown in the Grant Work Plan are the responsibility of the LOCAL SPONSOR and are not a part of this Agreement. The LOCAL SPONSOR agrees that any costs for the specific eligible PROJECT tasks that exceed the estimated PROJECT costs for that task shall be the responsibility of the LOCAL SPONSOR. Any modifications to the estimated TOTAL PROJECT COSTS shown in Attachment A, Table 1, shall be provided through formal amendment to this Agreement.
7. All notices and written communication between the parties shall be sent by electronic mail, U.S. Mail, a courier delivery service, or delivered in person. 10. The LOCAL SPONSOR shall perform the services in a proper and satisfactory manner as determined by the DEPARTMENT.
11. Any and all equipment, products or materials necessary to perform these services, or requirements as further stated herein, shall be supplied by the LOCAL SPONSOR.
12. The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature of the State of Florida and subject to the release of funds appropriated to the DEPARTMENT. All public parking must be clearly signed or otherwise designated as public beach access parking.
14. Paragraph Reserved.
15. As consideration for the satisfactory completion of the eligible work identified in **Attachment A** and approval of the work by the DEPARTMENT, the DEPARTMENT agrees to compensate the LOCAL SPONSOR on a cost-reimbursement basis. All requests for reimbursement shall be made in accordance with **Attachment C (Contract Payment Requirements)**, attached hereto and made a part hereof, and State guidelines for allowable costs found in the Department of Financial Services' Reference Guide for State Expenditures at <http://www.fldfs.com/aadir/reference%5Fguide>.

The LOCAL SPONSOR shall submit a request for reimbursement of funds on the forms provided as **Attachment D (Request for Payment, PARTS I – IV)**, attached hereto and made a part hereof. These forms are to be submitted upon completion of deliverables identified in the approved Grant Work Plan. These forms shall be certified as accurate by the LOCAL SPONSOR's Project Manager and the LOCAL SPONSOR's Project Financial Officer and submitted to the DEPARTMENT as a payment request. All bills for amounts due under this Agreement shall be submitted in detail sufficient for a proper pre-audit and post-audit thereof. All requests for the reimbursement of travel expenses shall be based on the travel limits established in Section 112.061, Florida Statutes. A final invoice shall be due no later than thirty (30) calendar days following the completion date of this Agreement. The DEPARTMENT will not release funds for construction activities until such time as all requisite authorizations, environmental permits, and variances, including those required pursuant to Chapters 161, 253, 258 and 373, Florida Statutes, have been obtained. The final payment will not be processed until the match requirement has been met.

16. The DEPARTMENT's Project Manager shall have thirty (30) calendar days after receipt of each request for payment to determine that the work has been accomplished in accordance with the terms and conditions of this Agreement prior to approving the request for payment. It is understood and agreed that any request for payment that requires the DEPARTMENT to request additional information of the LOCAL SPONSOR shall stop time for the DEPARTMENT's review period and will reset when such information is received as requested by the DEPARTMENT. Upon approval of the request for payment, the DEPARTMENT shall disburse the funds due the LOCAL SPONSOR. Retainage of 10% of the disbursement may be held on account for each deliverable in the disbursement that represents a portion of the complete subtask. The cumulative amount retained for each eligible deliverable item shall be disbursed to the LOCAL SPONSOR after the DEPARTMENT has certified that the LOCAL SPONSOR has complied with all the terms and conditions of the Agreement. The DEPARTMENT will periodically request proof of a transaction (invoice, payroll register, etc.) to evaluate the appropriateness of costs to the Agreement pursuant to State and Federal guidelines (including cost allocation guidelines), as appropriate. When requested, this information must be provided within thirty (30) calendar days of such request. If applicable, the LOCAL SPONSOR may also be required to submit a cost allocation plan to the DEPARTMENT in support of its multipliers (overhead, indirect, general administrative costs, and fringe benefits).
17. For the duration of this Agreement, the LOCAL SPONSOR shall submit to the DEPARTMENT's Project Manager on a quarterly basis, **Attachment D (Project Progress Report, Part III)**, as updates to the project schedule, no later than thirty (30) calendar days following the completion date of the quarterly reporting period in which the PROJECT is underway. The term "quarterly" shall reflect the calendar quarters ending March 31, June 30, September 30, and December 31. Progress reports are to be submitted electronically in Word .doc or .pdf. Information provided shall be the best available and shall represent the most accurate forecast of future events. Specific information to be included in the quarterly report: tasks to be completed, start and finish dates, task duration, and actual start and finish dates with actual task duration. In cases where no reimbursement is sought for a given quarter, all applicable portions of the progress report must still be completed and submitted. The timely submittal of these quarterly reports will result in points for the ranking of future projects under the Beach Management Funding Assistance Program.
18. Upon completion of a task or the PROJECT, the LOCAL SPONSOR shall submit to the DEPARTMENT a certification of completion, attached hereto as **Attachment E (Project Completion Certification)**. A final PROJECT certification inspection shall be made by the DEPARTMENT within sixty (60) calendar days after the PROJECT is certified complete by the LOCAL SPONSOR.

19. The LOCAL SPONSOR shall, at a minimum, comply with monetary limits for competitive acquisition of both materials and services as required by Chapters 287 and 255, Florida Statutes, as applicable, and Subsection 161.101(17), Florida Statutes, which are expressly made a part of this Agreement and incorporated herein by reference as if fully set forth.
- A. Pursuant to Section 255.0991, F.S., for a competitive solicitation for construction services in which 50 percent or more of the cost will be paid from state-appropriated funds which have been appropriated at the time of the competitive solicitation, a state, college, county, municipality, school district, or other political subdivision of the state may not use a local ordinance or regulation that provides a preference based upon:
- 1) The contractor's maintaining an office or place of business within a particular local jurisdiction;
 - 2) The contractor's hiring employees or subcontractors from within a particular local jurisdiction; or
 - 3) The contractor's prior payment of local taxes, assessments, or duties within a particular local jurisdiction.
- B. For any competitive solicitation that meets the criteria in Paragraph A., a state college, county, municipality, school district, or other political subdivision of the state *shall disclose in the solicitation document* that any applicable local ordinance or regulation does not include any preference that is prohibited by Paragraph A.
20. The applicable provisions of Chapter 161, Florida Statutes, entitled "Dennis L. Jones Beach and Shore Preservation Act", and any rules promulgated therefrom, are expressly made a part of this Agreement and are incorporated herein by reference as if fully set forth.
21. Each party hereto agrees that it shall be solely responsible for the negligent or wrongful acts of its employees and agents. However, nothing contained herein shall constitute a waiver by either party of its sovereign immunity or the provisions of Section 768.28, Florida Statutes. Further, nothing herein shall be construed as consent by a state agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract or this Agreement.
22. A. The DEPARTMENT may terminate this Agreement at any time in the event of the failure of the LOCAL SPONSOR to fulfill any of its obligations under this Agreement. Prior to termination, the DEPARTMENT shall provide ten (10) calendar days' written notice of its intent to terminate and shall provide the LOCAL SPONSOR an opportunity to consult with the DEPARTMENT regarding the reason(s) for termination.
- B. The DEPARTMENT may terminate this Agreement without cause and for its convenience by giving thirty (30) calendar days' written notice to the LOCAL SPONSOR. Notice shall be sufficient if delivered pursuant to paragraph 7 as set forth in this Agreement.
- C. The DEPARTMENT may terminate this Agreement in the event that all tasks identified in **Attachment A, Grant Work Plan** have been certified complete and approved by the DEPARTMENT, and all eligible reimbursements have been provided to the LOCAL SPONSOR. Prior to termination, the DEPARTMENT shall provide ten (10) calendar days' written notice of its intent to terminate and shall provide the LOCAL SPONSOR an opportunity to consult with the DEPARTMENT to verify that all eligible items have been completed and reimbursed.

23. No payment will be made for deliverables deemed unsatisfactory by the DEPARTMENT. In the event that a deliverable is deemed unsatisfactory by the DEPARTMENT, the LOCAL SPONSOR shall perform the services again as needed for submittal of a satisfactory deliverable, at no additional cost to the DEPARTMENT, within ten (10) calendar days of being notified of the unsatisfactory deliverable. If a satisfactory deliverable is not submitted within the specified timeframe, the DEPARTMENT may, in its sole discretion, either: 1) terminate this Agreement for failure to perform, or 2) the DEPARTMENT'S Project Manager may, by letter specifying the failure of performance under this Agreement, request that a proposed Corrective Action Plan (CAP) be submitted by the LOCAL SPONSOR to the DEPARTMENT. All CAPs must be able to be implemented and performed in no more than sixty (60) calendar days.
- A. A CAP shall be submitted within ten (10) calendar days of the date of the letter request from the DEPARTMENT. The CAP shall be sent to the DEPARTMENT's Project Manager for review and approval. Within ten (10) calendar days of receipt of a CAP, the DEPARTMENT shall notify the LOCAL SPONSOR in writing whether the CAP proposed has been accepted. If the CAP is not accepted, the LOCAL SPONSOR shall have ten (10) calendar days from receipt of the DEPARTMENT letter rejecting the proposal to submit a revised proposed CAP. Failure to obtain the DEPARTMENT approval of a CAP as specified above shall result in the DEPARTMENT'S termination of this Agreement for cause as authorized in this Agreement.
 - B. Upon the DEPARTMENT'S notice of acceptance of a proposed CAP, the LOCAL SPONSOR shall have ten (10) calendar days to commence implementation of the accepted plan. Acceptance of the proposed CAP by the DEPARTMENT does not relieve the LOCAL SPONSOR of any of its obligations under the Agreement. In the event the CAP fails to correct or eliminate performance deficiencies by LOCAL SPONSOR, the DEPARTMENT shall retain the right to require additional or further remedial steps, or to terminate this Agreement for failure to perform. No actions approved by the DEPARTMENT or steps taken by the LOCAL SPONSOR shall preclude the DEPARTMENT from subsequently asserting any deficiencies in performance. The LOCAL SPONSOR shall continue to implement the CAP until all deficiencies are corrected. Reports on the progress of the CAP will be made to the DEPARTMENT as requested by the DEPARTMENT's Project Manager.
 - C. Failure to respond to the DEPARTMENT's request for a CAP or failure to correct a deficiency in the performance of the Agreement as specified by the DEPARTMENT may result in termination of this Agreement.

The remedies set forth above are not exclusive and the DEPARTMENT reserves the right to exercise other remedies in addition to or in lieu of those set forth above, as permitted by this Agreement.

24. Records made or received in conjunction with this Agreement are public records. This Agreement may be unilaterally canceled by the DEPARTMENT for unlawful refusal by the LOCAL SPONSOR to allow public access to all documents, papers, letters, or other material made or received by the LOCAL SPONSOR in conjunction with this Agreement and subject to disclosure under Chapter 119, Florida Statutes and Section 24(a) of Article I of the State Constitution.
25. A. The LOCAL SPONSOR shall maintain books, records and documents directly pertinent to performance under this Agreement in accordance with generally accepted accounting principles consistently applied. The DEPARTMENT, the State, or their authorized representatives shall have access to such records for audit purposes during the term of this Agreement and for five (5) years following the completion date of this Agreement. In the event any work is subcontracted, the LOCAL SPONSOR shall similarly require each subcontractor to maintain and allow access to such records for audit purposes.

- B. The LOCAL SPONSOR understands its duty, pursuant to Section 20.055(5), F.S., to cooperate with the DEPARTMENT's Inspector General in any investigation, audit, inspection, review, or hearing. The LOCAL SPONSOR will comply with this duty and ensure that its subcontracts issued under this Grant, if any, impose this requirement, in writing, on its subcontractors.
26. A. In addition to the requirements of the preceding paragraph, the LOCAL SPONSOR shall comply with the applicable provisions contained in **Attachment F (Special Audit Requirements)**, attached hereto and made a part hereof. **Exhibit 1 to Attachment F** summarizes the funding sources supporting the Agreement for purposes of assisting the LOCAL SPONSOR in complying with the requirements of **Attachment F**. A revised copy of **Exhibit 1** must be provided to the LOCAL SPONSOR for each amendment that authorizes a funding increase or decrease. If the LOCAL SPONSOR fails to receive a revised copy of Exhibit 1, the LOCAL SPONSOR shall notify the DEPARTMENT's Grant Administrator at 850/245-2970, to request a copy of the updated information.
- B. The LOCAL SPONSOR is hereby advised that the Federal and/or Florida Single Audit Act Requirements may further apply to lower tier transactions that may be a result of this Agreement. The LOCAL SPONSOR shall consider the type of financial assistance (federal and/or state) identified in **Attachment F, Exhibit 1** when making its determination. For federal financial assistance, the LOCAL SPONSOR shall utilize the guidance provided under OMB Circular A-133, Subpart B, Section __.210 for determining whether the relationship represents that of a sub recipient or vendor. 27. In accordance with Section 216.347, Florida Statutes, the LOCAL SPONSOR is hereby prohibited from using funds provided by this Agreement for the purposes of lobbying the Legislature, the judicial branch or a state agency. Further, in accordance with Section 11.062, Florida Statutes, no state funds, exclusive of salaries, travel expenses, and per diem, appropriated to, or otherwise available for use by, any executive, judicial, or quasi-judicial department shall be used by any state employee or other person for lobbying purposes.
28. The LOCAL SPONSOR covenants that it presently has no interest and shall not acquire any interest that would conflict in any manner or degree with the performance of services required.
29. This Agreement has been delivered in the State of Florida and shall be construed in accordance with the laws of Florida. Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law. If any provision of this Agreement shall be prohibited or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement. Any action hereon or in connection herewith shall be brought in Leon County, Florida.

30. No delay or failure to exercise any right, power or remedy accruing to either party upon breach or default by either party under this Agreement, shall impair any such right, power or remedy of either party. Nor shall such delay or failure be construed as a waiver of any such breach or default, or any similar breach or default thereafter.
31. To the extent required by law, the LOCAL SPONSOR will be self-insured against, or will secure and maintain during the life of this Agreement, Workers' Compensation Insurance for all of its employees connected with the work of this PROJECT. In the case any work is subcontracted, the LOCAL SPONSOR shall require the subcontractor similarly to provide Workers' Compensation Insurance for all of the subcontractor's employees unless such employees are covered by the protection afforded by the LOCAL SPONSOR. Such self-insurance program or insurance coverage shall comply fully with the Florida Workers' Compensation Law, Chapter 440, Florida Statutes. In case any class of employees engaged in hazardous work under this Agreement is not protected under Workers' Compensation statutes, the LOCAL SPONSOR shall provide, and cause each subcontractor to provide, adequate insurance satisfactory to the DEPARTMENT, for the protection of its employees not otherwise protected.
32. A. The LOCAL SPONSOR shall secure and maintain Commercial General Liability insurance including bodily injury and property damage. The minimum limits of liability shall be \$200,000 each occurrence and \$300,000 aggregate. This insurance will provide coverage for all claims that may arise from the services and/or operations completed under this Agreement, whether such services and/or operations are by the LOCAL SPONSOR or anyone directly or indirectly employed by him. Such insurance shall include the State of Florida as an Additional Insured for the entire length of the Agreement.
- B. The LOCAL SPONSOR shall secure and maintain Commercial Automobile Liability insurance for all claims which may arise from the services and/or operations under this Agreement, whether such services and/or operations are by the LOCAL SPONSOR or by anyone directly, or indirectly employed by the LOCAL SPONSOR. In addition, the LOCAL SPONSOR shall include these requirements in any sub grant or subcontract issued for the performance of the work specified in Attachment A, Grant Work Plan. Questions concerning required coverage should be directed to the U.S. Department of Labor (<http://www.dol.gov/owcp/dlhwc/lcontac.htm>) or to the parties' insurance carriers.
- D. All insurance policies shall be with insurers licensed or eligible to do business in the State of Florida. The LOCAL SPONSOR's current certificate of insurance shall contain a provision that the insurance will not be canceled for any reason except after thirty (30) calendar days' written notice (with the exception of non-payment of premium which requires a 10-calendar-day notice) to the DEPARTMENT's Procurement Administrator.

33. This Agreement is neither intended nor shall it be construed to grant any rights, privileges or interest in any third party without the mutual written agreement of the parties hereto.
34. A. No person, on the grounds of race, creed, color, religion, national origin, age, gender, or disability, shall be excluded from participation in; be denied the proceeds or benefits of; or be otherwise subjected to discrimination in performance of this Agreement.

Questions regarding the discriminatory vendor list may be directed to the Florida Department of Management Services, Office of Supplier Diversity at (850) 487-0915.
35. A. The accounting systems for all LOCAL SPONSORS must ensure that these funds are not commingled with funds from other agencies. Funds from each agency must be accounted for separately. LOCAL SPONSORS are prohibited from commingling funds on either a program-by-program or a PROJECT-by-PROJECT basis. Funds specifically budgeted and/or received for one PROJECT may not be used to support another PROJECT. Where a LOCAL SPONSOR's, or subrecipient's, accounting system cannot comply with this requirement, the LOCAL SPONSOR, or subrecipient, shall establish a system to provide adequate fund accountability for each PROJECT it has been awarded.
- B. If the DEPARTMENT finds that these funds have been commingled, the DEPARTMENT shall have the right to demand a refund, either in whole or in part, of the funds provided to the LOCAL SPONSOR under this Agreement for non-compliance with the material terms of this Agreement. The LOCAL SPONSOR, upon such written notification from the DEPARTMENT shall refund, and shall forthwith pay to the DEPARTMENT, the amount of money demanded by the DEPARTMENT. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the original payment(s) are received from the DEPARTMENT by the LOCAL SPONSOR to the date repayment is made by the LOCAL SPONSOR to the DEPARTMENT.
- C. In the event that the LOCAL SPONSOR recovers costs, incurred under this Agreement and reimbursed by the DEPARTMENT, from another source(s), the LOCAL SPONSOR shall reimburse the DEPARTMENT for all recovered funds originally provided under this Agreement. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the payment(s) are recovered by the LOCAL SPONSOR to the date repayment is made to the DEPARTMENT by the LOCAL SPONSOR.
36. A. The LOCAL SPONSOR shall not subcontract, assign, or transfer any work under this Agreement without the prior written consent of the DEPARTMENT's Project Manager. Regardless of any subcontract, the LOCAL SPONSOR is ultimately responsible for all work to be performed under this Agreement. The LOCAL SPONSOR shall submit a copy of the executed subcontract to the DEPARTMENT within ten (10) calendar days after execution.

The LOCAL SPONSOR agrees to be responsible for the fulfillment of all work elements included in any subcontract consented to by the DEPARTMENT and agrees to be responsible for the payment of all monies due under any subcontract. It is understood and agreed by the LOCAL SPONSOR that the DEPARTMENT shall not be liable to any subcontractor for any expenses or liabilities incurred under the subcontract and that the LOCAL SPONSOR shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract. The LOCAL SPONSOR will be responsible for auditing all travel reimbursement expenses based on the travel limits established in Section 112.061, Florida Statutes.

1. The LOCAL SPONSOR may award, on a competitive basis, fixed price subcontracts to consultants/contractors in performing the work described in **Attachment A**. Invoices submitted to the DEPARTMENT for fixed price subcontracted activities shall be supported with a copy of the subcontractor's invoice and a copy of the tabulation form for the competitive procurement process (Invitation to Bid or Request for Proposals) resulting in the fixed price subcontract.
 2. The LOCAL SPONSOR may request approval from the DEPARTMENT to award a fixed price subcontract resulting from procurement methods other than those identified in the paragraph above. In this instance, the LOCAL SPONSOR shall request the advance written approval from the DEPARTMENT's Project Manager of the fixed price negotiated by the LOCAL SPONSOR. The letter of request shall be supported by a detailed budget and Scope of Services to be performed by the subcontractor. Upon receipt of the DEPARTMENT Project Manager's approval of the fixed price amount, the LOCAL SPONSOR may proceed in finalizing the fixed price subcontract.
 3. All subcontracts are subject to the provisions of this Agreement which affect subcontracting activities.
- B. The DEPARTMENT supports diversity in its procurement program and requests that all subcontracting opportunities afforded by this Agreement embrace diversity enthusiastically. The award of subcontracts should reflect the full diversity of the citizens of the State of Florida. A list of Minority Owned firms that could be offered subcontracting opportunities may be obtained by contacting the Office of Supplier Diversity at (850) 487-0915.
37. When applicable, the LOCAL SPONSOR shall also notify the DEPARTMENT's Project Manager of the selection of an intended subcontractor for a construction task and provide a tabulation list from which the intended subcontractor was selected. The LOCAL SPONSOR shall also provide the bid form for the successful bidder. The LOCAL SPONSOR shall select eligible consultants licensed to offer services in the State of Florida for studies, design and permitting and monitoring tasks in accordance with Chapter 287, F. S. Upon the DEPARTMENT's request, the LOCAL SPONSOR shall furnish copies of the respective solicitation documents. Solicitation documents include, but are not limited to, the solicitation and responses thereto, the bid tabulations, and the resulting contract(s), including a detailed Scope of Work.
 38. The purchase of non-expendable equipment costing \$1,000 or more is not authorized under the terms and conditions of this Agreement.

39. The DEPARTMENT may at any time, by written order designated to be a change order, make any minor modifications, as described below. All change orders are subject to the mutual agreement of both parties as evidenced in writing. Any change, which causes an increase or decrease in the LOCAL SPONSOR's cost or time, shall require formal amendment to this Agreement. Minor modifications which will be handled with a change order include notification of a modification of deliverable due dates when such change does not involve an extension of contract, and modifying the Grant Work Plan when such modifications would not involve a decrease/increase in total cost of the Agreement or an extension of the performance period of this Agreement.
40. The LOCAL SPONSOR shall comply with all applicable federal, state and local rules and regulations in providing services to the DEPARTMENT under this Agreement. The LOCAL SPONSOR acknowledges that this requirement includes, but is not limited to, compliance with all applicable federal, state and local health and safety rules and regulations. The LOCAL SPONSOR further agrees to include this provision in all subcontracts issued as a result of this Agreement.
41. The LOCAL SPONSOR shall obtain from each owner of upland property, which is adjacent to the erosion control PROJECT, a sufficient property interest in order to construct, maintain, monitor, and repair the erosion control PROJECT prior to entering each individual property to conduct such activities.
42. If a force majeure occurs that causes delays or the reasonable likelihood of delay in the fulfillment of the requirements of this Agreement, the LOCAL SPONSOR shall promptly notify the DEPARTMENT orally. Within seven (7) calendar days, the LOCAL SPONSOR shall notify the DEPARTMENT in writing of the anticipated length and cause of the delay, the measures taken or to be taken to minimize the delay and the LOCAL SPONSOR's intended timetable for implementation of such measures. If the parties agree that the delay or anticipated delay was caused, or will be caused by a force majeure, the DEPARTMENT may, at its discretion, extend the time for performance under this Agreement for a period of time equal to the delay resulting from the force majeure upon execution of an amendment to this Agreement. Such agreement shall be confirmed by letter from the DEPARTMENT accepting, or if necessary, modifying the extension. A force majeure shall be an act of God, strike, lockout, or other industrial disturbance, act of the public enemy, war, blockade, public riot, lightning, fire, flood, explosion, failure to receive timely necessary third party approvals through no fault of the LOCAL SPONSOR, and any other cause, whether of the kind specifically enumerated herein or otherwise, that is not reasonably within the control of the LOCAL SPONSOR and/or the DEPARTMENT. The LOCAL SPONSOR is responsible for the performance of all services issued under this Agreement. Failure to perform by the LOCAL SPONSOR's consultant(s) or subcontractor(s) shall not constitute a force majeure event.
43. This Agreement may be executed in two or more counterparts, each of which together shall be deemed an original, but all of which together shall constitute one and the same instrument. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof.
44. State and federal monitoring required by permit is eligible for reimbursement pursuant to program statute and rule. In order to comply with Florida Auditor General report 2014-064 regarding conflicts of interest and to be consistent with s. 287.057(17)(a)(1), Florida Statutes, all monitoring data and statistical analysis must be provided directly and concurrently from the monitor to the DEPARTMENT/LOCAL SPONSOR/permittee/consultant. The LOCAL SPONSOR must provide an adequate mitigation plan, consistent with s. 287.057(17)(a)(1), Florida Statutes, including a description of organizational, physical, and electronic barriers to be used by the LOCAL SPONSOR, that addresses conflicts of interest when contracting multi-disciplinary firms for PROJECT engineering

and post-construction environmental monitoring services, or when the PROJECT engineering firm subcontracts for post-construction environmental monitoring. Environmental monitoring includes hardbottom, seagrass, and mangrove resources. DEPARTMENT approval of the mitigation plan will be required prior to execution of this Agreement.

45. This Agreement represents the entire agreement of the parties. Any alterations, variations, changes, modifications or waivers of provisions of this Agreement shall only be valid when they have been reduced to writing, duly signed by each of the parties hereto, and attached to the original of this Agreement, unless otherwise provided herein.

Project Background: The PROJECT was restored in 1993. Nourishment to address storm impacts occurred in 1997. Nourishment of the entire PROJECT area was completed in 2006. Two permeable adjustable groins were constructed seaward of the Islander Condominium in 2010, to stabilize the shoreline around R12-R14. Interim placement of sand on the North End was completed in 2011. West Coast Inland Navigation District (WCIND) flood shoal sand trap dredge material was placed on the North End of the island in 2014. Construction of two permeable groins designed to stabilize the North End of the island was completed in 2015. Nourishment of the entire PROJECT is scheduled for 2016, using multiple sand sources.

The PROJECT shall be conducted in accordance with the terms and conditions set forth under this Agreement, all applicable DEPARTMENT permits and the eligible PROJECT task items established below. All data collection and processing, and the resulting product deliverables, shall comply with the standards technical specifications contained in the DEPARTMENT'S Monitoring Standards for Beach Erosion Control Projects (2014) and Processing Plan and Geographic Information System Guidelines, unless otherwise specified in the approved Scope of Work (herein after referred to as SOW) for an eligible PROJECT item. This plan may be found at <http://www.dep.state.fl.us/beaches/publications/pdf/PhysicalMonitoringStandards.pdf>. One (1) electronic copy of all written reports developed under this Agreement shall be forwarded to the DEPARTMENT, unless otherwise specified.

3.3 2016/2017 Truck Haul & Dredging Nourishment

The local sponsor will conduct nourishments along the Longboat Key Beach Nourishment PROJECT, on a phased approach using multiple sand sources, in order to extend the life of the PROJECT and to protect any threatened upland structures. The local sponsor identifies eroded shoreline area formation through the annual monitoring program and routine PROJECT inspections.

When a placement area is identified, the local sponsor will develop a Scope of Work (SOW) with their General Contractor and submit the SOW to the Beach Management Funding Assistance Program for review and approval. The SOW will contain a full description of the work to be performed, location of the sand placement, sand source, estimated volumes of fill material required, estimated budget, and construction schedule with completion date. The Local Sponsor must receive written approval of the SOW (a.k.a. Letter of Authorization) via email from the DEPARTMENT's Project Manager prior to initiating construction activities. If additional material is required to complete the nourishment, written approval from the Project Manager will be required to allow for reimbursement for additional material required.

All activities will be conducted according to the Joint Coastal Permit (JCP) 0300119-001-JC, including placement within the authorized berm fill templates. Upon completion of the nourishment event, the local sponsor will submit an invoice for reimbursement which contains a summary of the actual amount of material purchased and used in the construction or the dredging contractor bid tabulation. General Services for placement and berm contouring activities should be included in the price of the fill material. Reimbursement is also authorized for an immediate post-construction survey to be performed by the Local Sponsor's surveying contractor, in order to quantify and verify sand placed in the permitted template, and construction oversight/management costs. First year funds may also be used to reimburse charges for permit-required sand sampling to confirm sand quality. Contracted funds may be used for successive events until funds are exhausted.

ATTACHMENT C
Florida Department of Environmental Protection
DEP 55-219 Contract Payment Requirements

Required Signatures: No Signature

Invoices for cost reimbursement contracts must be supported by an itemized listing of expenditures by category (salary, travel, expenses, etc.) Supporting documentation must be provided for each amount for which reimbursement is being claimed indicating that the item has been paid. Check numbers may be provided in lieu of copies of actual checks. Each piece of documentation should clearly reflect the dates of service. Only expenditures for categories in the approved contract budget should be reimbursed.

Listed below are examples of the types of documentation representing the minimum requirements:

(1) Salaries A payroll register or similar documentation should be submitted. The payroll register should show gross salary charges, fringe benefits, other deductions and net pay. If an individual for whom reimbursement is being claimed is paid by the hour, a document reflecting the hours worked times the rate of pay will be acceptable.

(2) Fringe Benefits Fringe Benefits should be supported by invoices showing the amount paid on behalf of the employee (e.g., insurance premiums paid). If the contract specifically states that fringe benefits will be based on a specified percentage rather than the actual cost of fringe benefits, then the calculation for the fringe benefits amount must be shown.

Exception: Governmental entities are not required to provide check numbers or copies of checks for fringe benefits.

(3) Travel Reimbursement for travel must be in accordance with Section 112.061, Florida Statutes, which includes submission of the claim on the approved State travel voucher.

(4) Other direct costs Reimbursement will be made based on paid invoices/receipts. If nonexpendable property is purchased using State funds, the contract should include a provision for the transfer of the property to the State when services are terminated. Documentation must be provided to show compliance with Department of Management Services Rule 60A-1.017, Florida Administrative Code, regarding the requirements for contracts which include services and that provide for the contractor to purchase tangible personal property as defined in Section 273.02, Florida Statutes, for subsequent transfer to the State.

(5) In-house charges Charges which may be of an internal nature (e.g., postage, copies, etc.) may be reimbursed on a usage log which shows the units times the rate being charged. The rates must be reasonable.

(6) Indirect costs If the contract specifies that indirect costs will be paid based on a specified rate, then the calculation should be shown.

By entering into this Agreement, the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department of Environmental Protection. In the event the Department of Environmental Protection determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by the Department to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer or Auditor General.

AUDITS

PART I: FEDERALLY FUNDED

This part is applicable if the recipient is a State or local government or a non-profit organization as defined in OMB Circular A-133, as revised.
