Longboat Key, Florida 34228

2016 Goals and Objectives Meeting

Monday, April 18, 2016

10:00am - 12:00pm

- To establish better working relationship (s) with all departments of the Town.
Vision Statement/Core Value 1; Vision Plan/Goals 2 and 11
- Revisit the parking ordinance of the "Village" to ensure safety of the residents and visitors alike.
Vision Statement/Core Value 2
- Resolve ongoing issues of "personal" property being stored on town owned property.
 - Bay accesses with the entire town.**Vision Statement/Core Values 2 and 11; Vision Plan/Goals 6 and 8**
- Beautification of Broadway Street
 - Palm to Longboat Drives intersection. (entrance to the Village)
 - Gas lamps at intersections on Broadway Street.**Vision Statement/Core Value 2; Vision Plan/Goals 5, 6, and 7**
- Improve pedestrian crossing at Broadway and Gulf of Mexico Drive. Or Cedar Street and Gulf of Mexico Drive.
Vision Statement/Core Value 5; Vision Plan/Goal 7
- Re-evaluate the rain water collection on Broadway Street between Palm Street and Longboat Drive North/South.
Vision Statement/Core Value 9; Vision Plan/Goal 6
- Reconnection of Stone Crab Bayou and Savarese Bayou.
Vision Statement/Core Value 9; Vision Plan/Goal 6
- Install another sitting bench at the Bayside Drive Bayfront area. (Bench donated by village resident)
Vision Statement/Core Value 2; Vision Plan/Goal 5
- Several "Stop" signs are located after the white line in the road, resulting in cars stopping after the sidewalk instead of at the intended stopping point. This is an accident waiting to happen and a "life safety" issue for all pedestrians walking the sidewalks.
Vision Statement/Core Value 2; Vision Plan/Goal 7

The "Village residents" would like to "Thank" the Town staff and Commissioners for all the endless hours it takes to keep Longboat Key a "Premier Community"
