

Item 7 – Nomination for Tenth District Director, FLC Board of Directors

Each year prior to the FLC Annual Conference, regional leagues are requested to provide recommendations of individuals to serve as District Directors on the FLC Board of Directors. The MSLC is in District 10. A letter from the MSLC to the FLC is required as official notification of the recommendation.

Local and regional league nominations are only a “recommendation” to the FLC Nominating Committee. Historically, the Committee has taken the recommendation of the local/regional league, though it is not bound to do so.

Any voting member of the MSLC is eligible to serve. The appointment requires attendance by the District Director at meetings of the FLC Board of Directors held throughout the year in various locations in Florida. Travel expenses to attend meetings are reimbursed by the FLC or MSLC.

Nominations are made by the Nominating Committee during the FLC Annual Conference, a vote of membership takes place, and the elected District Directors take office on Saturday, August 20, 2016.
