#### THE ART OF CONSENSUS

How do you achieve consensus with your colleagues and overcome conflict when it arises on the dais? This one-hour webinar, part of the Florida Regional Compact Initiative eLearning Series, will identify the primary steps to consider before introducing a new item for consideration, highlight crucial do's and don'ts during a council/commission meeting and how to capitalize on consensus after your item passes. Join your colleagues from across the state in learning the art of consensus building.

**Register now!** \*It is recommended that participants on this training either previously attended "Intro to Compacts" or listened to it through the FLC U Webinar Library.

After registering, you will receive a confirmation email containing information about joining the webinar.

#### SUSTAINING SUCCESS: NOW WHAT?

Your council/commission has passed a Compact, but what exactly have you committed your city or yourself to doing? Join your colleagues for this one-hour webinar, part of the Florida Regional Compact Initiative eLearning Series, to discuss the next steps for Compact creation, how to identify staff and assets for sustaining the success of the collaboration, and the importance of an interior work group and what they are charged with doing. The webinar will feature the experience of a new collaboration with ample time for dialogue to address your specific questions.

**Register now!** It is recommended that participants on this training either previously attended "The Art of Consensus" and "Intro to Compacts" or listened to them through the FLC U Webinar Library.

After registering, you will receive a confirmation email containing information about joining the webinar.

Join us for a webinar on Jul 14, 2016 at 2:00 PM EDT.

#### BUILDING A BRAND

One of the most important tasks in sustaining Compact success is building broad support among your colleagues, staff and constituents. There is a need to communicate early and communicate often, but what exactly should you communicate and what does branding have to do with it? During this one-hour webinar, part of the Florida Regional Compact Initiative eLearning Series, participants will connect basic marketing concepts to Compact communications, learn how to develop a media strategy and why it's important, and discuss how to engage champions throughout the process to ensure community support.

**Register now!** It is recommended that participants on this training either previously attended "The Art of Consensus" and "Intro to Compacts" or listened to them through the FLC U Webinar Library. After registering, you will receive a confirmation email containing information about joining the webinar.

### FACC Webinar: Organizing Email: Practical Strategies for Records Management

Event Location Webinar

Start Date 7/14/2016 02:00 PM

End Date 7/14/2016 04:00 PM

Set up your inboxes to win! One of the City Clerk's most important responsibilities is responding to public records requests for e-mail records, which currently requires a lot of searching and redaction time. Although there is no "magic bullet," this webinar will cover important tips and techniques to better organize your email for more efficient responses. Other vital topics included in this discussion will be the latest on public records retention issues (retaining what's needed; discarding what's not), search tips, classification tips, and archiving methods.

Panelists: Don Dennis, Information Technology Director, City of Clermont and Matt Daugherty, Executive Vice-President, SML, Inc.

Note: This program has been approved by IIMC for 2 hours of CMC/MMC credit. A completed Idea to Action (ITA) form is required to receive education credit. Approximately two days prior to the webinar, the Ideas to Action form and a phone number with the webinar code will be e-mailed to all paid registrants.

### FLCityGuard Webinar: How to create a crisis plan

Event Location Webinar

Start Date 7/28/2016 02:00 PM

End Date 7/28/2016 03:00 PM

FLCityGuard is pleased to bring you another learning opportunity on July 28 at 2:00 EDT.

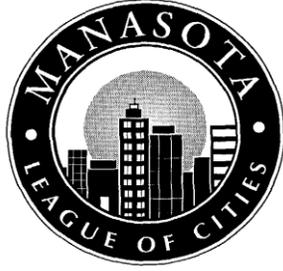

#### How to Create a Crisis Plan

Every city needs an effective crisis communications plan to help guide you through whatever challenges arise, but sometimes the hardest part is knowing how and where to get started. In conjunction with Sachs Media Group, the FLC University is presenting another informative webinar in its FLCityGuard series to help Florida cities navigate the treacherous waters of crisis communications. It's only a matter of time before your city government finds itself in some type of crisis, and the critical time for managing this threat to your hard-earned reputation is before it ever happens. Join us for this enlightening session so YOU will be ready when the next crisis hits.

**Register now!** After registering, you will receive a confirmation email containing information about joining the webinar. If you do not receive an email, please check your spam or junk folder.
