Subject: Authorization for the Town Manager to Execute the Manatee County Easement for Groin Construction on Greer Island

Recommended Action

Authorize the Town Manager to execute the Manatee County Easement for Greer Island.

Background

The Town's adopted and approved Comprehensive Beach Management Plan includes structural stabilization of the North end shoreline known as Greer Island. The Town is proceeding with constructing the project and is currently out to bid. A portion of the project falls within an upland area of Greer Island owned by Manatee County. As such, an easement is required from Manatee County in order for the Town to construct and maintain the structures.

On December 15, 2020, Manatee County Commissioners unanimously approved granting the easement and approved \$2.69 million reimbursement allowance to the Town to help fund a portion of the North end project.

Staff Recommendation

Authorize the Town Manager to execute the Manatee County Easement for Greer Island.
