Subject: Snapshot of 2021 Beach Nourishment and Structure Projects

Recommended Action

None, informational only.

Background

The Beach Nourishment and North End Structure projects are currently under construction.

The Town's adopted five (5) year CIP for the Beach Capital Fund includes \$39.9 million to accommodate nourishment of multiple beach segments utilizing a combination of available sand sources in Passage Key, Longboat Pass and New Pass, construction of five north end rock structures, and tightening the south end New Pass rock groin. The overall adopted five (5) year CIP is \$49,490.580.

Town staff presents this update to provide images illustrating the nourishment and structure projects currently under construction.
