To: Tom Harmer, Town Manager
From: Savannah Cobb, Deputy Town Clerk
Report date: March 23, 2022
Meeting date: April 4, 2022
Subject: Commissioner Appointments to Committees Named in Town Code and to Outside Agencies

Recommended Action

Appoint Commissioners to Committees named in Town Code and to outside agencies.

Background

Pursuant to Resolution 2018-07, each year the Town Commission considers appointments of Commissioners to committees named in the Town Code or as required by outside agencies. Attached is a list of the 2021-2022 appointments that were made and a brief overview of the functions of the outside agencies.

At the Town Commission April 5, 2021, Regular Meeting, the Commission removed Special Liaisons to Sarasota and Manatee Counties from the appointment list. Subsequently, at the April 19, 2021, the list was modified to provide representation on a Board that had previously created a conflict for the appointed Commissioner.

In March of 2009, the Town Commission removed appointments to the Florida League of Cities (FLC) committees. Due to the participation and interest of the currently seated Commission in the FLC committees in 2021 and 2022, these committees have been included on the attached list of appointments for Commission consideration and determination of future participation. If appointments are made to any of these FLC committees, discussion may be required relating to budget implications.

Following the appointments, staff will send letters to each agency advising of the selected Commissioner representative and provide contact information for their outreach for orientation purposes.
