Report date: March 25, 2022
Meeting date: April 4, 2022
Subject: Resolution 2022-07, Annual Beach Funding Resolution

Recommended Action

Pass Resolution 2022-07.

Background

The State of Florida Beach Management Funding Assistance Program has been a recurring source of funding for the Town's beach nourishment projects. Each year the Town Commission passes a Beach Funding Resolution to accompany its Local Government Funding Request application for State grants.

The Town submits an annual cost-share funding request for this program in June. Each funding request requires a resolution from the local agency in support of, and confirming, the Town's ability to fund each project.

Resolution 2022-07 is our general resolution for cost sharing funds for work the Town may undertake in the future relative to design, permitting and construction, of sand placement projects as well as other structures. Typically, the eligible portions of the project costs are reimbursed by the State on a 26.94% basis based on Legislative appropriated funds.

Resolution 2022-07 is placed on the April 4, 2022 Regular Meeting Consent Agenda for Town Commission review and approval.

Staff Recommendation
