**REPORT DATE:** November 9, 2022  
**MEETING DATE:** December 5, 2022  
**SUBJECT:** Appointment to Sarasota County Citizens' Oversight Committee for Public School Facility Planning

### **Recommended Action**

Appoint Dr. Warren G. Simonds to the Citizens' Oversight Committee for Public School Facility Planning.

### **Background**

There is a vacancy for a Longboat Key representative on the Sarasota County Citizens' Oversight Committee for Public School Facilities Planning.

Sarasota County School Board has requested that the Town appoint a resident to ensure continued representation on the committee.

The purpose of the committee is to supervise the implementation of the interlocal agreement for Public School Facility Planning, including monitoring and evaluating the school concurrency system. The committee reports at the annual Convocation of Governments on the effectiveness with which the interlocal agreement is being implemented.

Dr. Warren G. Simonds was the sole applicant to submit an application for consideration. Although Dr. Simonds resides in the Manatee County portion of Longboat Key, School Board representatives have advised that he would be eligible to serve on the Committee as Longboat Key's representative.
