**To:** Town Commission  
**From:** Tom Harmer, Town Manager  
**Report date:** December 12, 2022  
**Meeting date:** January 9, 2023  
**Subject:** Resolution 2023-01, Support of the 2023 Florida League of Cities Legislative Platform

### **Recommended Action**

Pass Resolution 2023-01.

### **Background**

The Florida Legislature will convene the 2023 Legislative Session on March 7, 2023. The Florida League of Cities' (FLC) Policy Committees set the legislative agenda for the League and Florida's 411 municipalities.

FLC's membership adopted the 2023 Legislative Platform on December 2, 2022, during their Legislative Conference.

Florida's cities face a wide variety of issues on a daily basis. No two cities are the same, so one-size fits all legislation does not work for our State's diverse communities. The FLC adopted Legislative Priorities reflect priorities of all 411 municipalities. This is in addition to the more specific Town Commission adopted 2023 Legislative Priorities for the Town.

The FLC has requested that the municipalities adopt a resolution supporting their issues in advance of the upcoming Legislative Session. Attached is a Resolution urging members of the Florida Legislature to support the 2023 FLC Legislative Platform.

Upon adoption, the Resolution will be provided to members of our local legislative delegation and the Florida League of Cities, Inc.

### **Staff Recommendation**

Pass Resolution 2023-01.
