**DATE:** March 21, 2019  
**SUBJECT:** Resolution 2019-04, Annual Beach Funding Resolution

---

### **Recommended Action**

Pass Resolution 2019-04.

### **Background**

The State of Florida Beach Management Funding Assistance Program has been a recurring source of funding for the Town's beach nourishment projects. Each year the Town Commission passes a beach funding resolution to accompany its Local Government Funding Request application for State grants.

The Town submits an annual cost-share funding request for this program in June. Each funding request requires a resolution from the local agency in support of, and confirming, the Town's ability to fund each project.

Resolution 2019-04 is our general resolution for cost sharing funds for work the Town may undertake in the future relative to design, permitting and construction, of sand placement projects as well as other structures. Typically, the eligible portions of the project costs are reimbursed by the State on a 22.79% basis based on Legislative appropriated funds.

Resolution 2019-04 is placed on the April 1, 2019 Regular Meeting Consent Agenda Town Commission review and approval.
