REPORT DATE: September 30, 2024
MEETING DATE: October 7, 2024
SUBJECT: Resolution 2024-20, Confirming Emergency Response Actions

Recommended Action

Pass Resolution 2024-20.

Background

Governor DeSantis issued an Executive Order 24-208 on September 23, 2024, and an amendment (24-209) to that order on September 24, 2024, due to the pending impact of Tropical Cyclone Nine which developed into a major hurricane, Hurricane Helene, and was anticipated to impact the State of Florida.

Hurricane Helene created a significant threat of storm surge, coastal flooding and erosion, and damaging winds to the Florida Gulf Coast, including Longboat Key.

At the May 6, 2024, Regular Meeting, the Town Commission passed Resolution 2024-07 addressing the authority to act and respond to a disaster and providing delegation of authority and powers to the Town Manager to respond adequately.

Resolution 2024-20 ratifies all actions and enactments taken before, during, and following Hurricane Helene by the Town Manager and his designees in accordance with applicable Florida Statutes.

Staff Recommendation

Pass Resolution 2024-20.
