*Please be advised that the Florida Governor's Office has declared a state of emergency due to the Coronavirus (COVID-19). As reported by the Center for Disease Control and World Health Organization, COVID-19 can spread from person-to-person through small droplets from the nose or mouth, including when an individual coughs or sneezes. These droplets may land on objects and surfaces. Other people may contract COVID-19 by touching these objects or surfaces, then touching their eyes, nose or mouth. Therefore, merely cleaning facilities, while extremely important and vital in this crisis, may not be enough to stop the spread of this virus. Those with weakened immune systems may want to avoid the Town Commission's meeting in order to avoid a potential exposure to the virus.*

*While it is necessary to hold the above referenced meeting of the Town Commission despite the current public health emergency, the Town Commission fully encourages public participation in a safe and efficient manner. Toward that end, anyone wishing to listen to the meeting can do so at <https://www.longboatkey.org/town-government/commission-meetings-live>.
